

Careers at StoneFire Outdoor Living

Updated 3/1/2021

StoneFire Outdoor Living, Inc. develops customized masonry creations and fire features that delight our customers and transform sterile spaces into extraordinary gathering places. Based in Westborough MA, we work with homeowners to design, build, and install outdoor kitchens, fireplaces, wood fired ovens, patios and many other outdoor structures. View our products and a portfolio of our work at www.stonefireoutdoorliving.com. The increasing demand for our outdoor products along with our expansion into a new line of indoor living spaces and hearth products has created opportunity to grow our successful team.

We are looking for motivated individuals with an outstanding work ethic and positive attitude. Applicants must have a strong work history, be punctual, be flexible in job responsibilities, organized, friendly and focused. We currently have openings for:
